

# Interlapse Shares Now Trading in the United States

Press Release — October 9, 2019

Virtual currency applications developer, Interlapse Technologies Corp. (TSXV: INLA), reports that its shares have commenced trading on the OTCQB Venture Market in the United States, trading symbol: [INLAF](#).

The Company's cross listing in Canada and now in the United States provides Interlapse with a much broader institutional and retail investor audience. Additionally, the listing in the United States better facilitates trading for Interlapse's US-based stockholders.
