

# Interlapse Updates Non-Brokered Private Placement

Press Release — November 26, 2019

Virtual currency applications developer, Interlapse Technologies Corp. (TSXV: INLA / OTCQB: INLAF), announces that it has amended the terms of the previously announced non-brokered private placement. The new terms of the placement are for up to 7,500,000 common shares at CDN\$0.10 per share for total gross proceeds of up to \$750,000. The common shares issued under this private placement will be subject to a hold period of four months from the closing date.

The proceeds will be primarily used to fund the launch of Interlapse's virtual currency platform, [coincurve.com](http://coincurve.com) into key international markets.
