

Interlapse Reports Strong Growth From its Virtual Currency Platform Paving Way for Overseas Expansion

Press Release — November 5, 2019

Interlapse Technologies Corp. (TSXV: INLA / OTCQB: INLAF) is pleased to report consistent growth momentum on key performance metrics in regards to the Company's virtual currency platform, Coincurve.com.

In October 2019, Coincurve had its best performing month with an increase of 72% in daily transactions and an increase of 64% in monthly volume, compared to the average monthly performance from June 19, 2019 to September 30, 2019.

Since January 1, 2019, Coincurve generated consistent average monthly increases of 28% in daily transactions and 32% in volume.

Considering that Coincurve currently facilitates only Canadian customers, the pace of growth in volume and transactions is extremely encouraging. Furthermore, the results demonstrate a proven revenue-generating model that has paved the way for positioning Coincurve into key international virtual currency markets.
